

U.S. Department of Health & Human Services

Welcome to
**Mid-Tier Advocacy Virtual
Roundtable Discussion**

Special Guest - David Dasher
Deputy Assistant Secretary
for Acquisitions & Procurement
U.S. Health & Human Services Office
of Federal Acquisition and Procurement

**Wednesday
June 16th, 2021
2pm to 3pm Est**

Tonya Saunders, Chair Mid-Tier Advocacy, Inc.

Tonya Saunders is the Founder and Chairman of the Board of Mid-Tier Advocacy, Inc. Mid-Tier Advocacy (MTA) represents the nation's top advanced small and mid-size firms.

***The purpose for today's discussion:** To engage in a candid discussion with industry and explore new pathways to growth for small and mid-tier firms based on Oversight and Policy that drives the acquisition and procurement decisions at HHS.*

Thanks for attending!

Who Are We

- MTA is a 501(c)3 Non-Profit consisting of a select businesses that discuss the policy affecting the sustainability and survivability of small and mid-tier business
- We leverage the collective voice of our member companies to influence federal policies that impact their growth and wellbeing
- MTA serves as a vehicle for business growth and development by educating member companies on business opportunities, and helping to build teaming and partnering relationships

Welcome
from
Our
President

BRYAN DAVIS
